

## Kinect Students and Parents

Thank you so much for your patience as we worked to finalize the details for this school year. At this time, we are not allowed to have in-person meetings so we will be recording an orientation that you and your student need to watch together and then, if needed, attend one of our online orientation question and answer sessions. Below are the details for when you need to come onto campus to pick up and drop off of materials as well as your students' schedule. Please let us know you have received and read this letter via Jupiter message, email a teacher, or call Lynette in Student Services, letting us know you have received this back to school information. Your return communication secures your spot at Kinect for the 2020-2021 school year.

### **Drive-Thru (in front of Kinect Portables located at 2720 Transworld Drive, Stockton)**

- Wednesday 8/5 or Thursday 8/6 from 8am-3pm. You must attend one of these to pick up a chromebook, homeschool packet for the following week, Jupiter instructions, and IXL assessment instructions. We would prefer both student and parents to come.

### **AND**

- Thursday 8/13, 12pm-3pm or Friday 8/14, 8am-3pm. You must attend one of these to drop off homeschool packets and pick up student schedules and class material for the First Quarter of school. We would prefer both student and parents to come.

### **Paperwork**

Master Agreements will be emailed to you for signatures. If you do not receive one digitally, we will have paper copies available at the drive thru.

### **Schedule**

#### **Wednesday 8/5 and Thursday 8/6**

Attend Drive Thru
