

Dear Venture Academy Parent,

At our school we are always looking for ways to better support our student's growth and learning.

In an effort to fulfill this goal, the counseling team offers individual counseling services for all Venture Academy students. Individual meeting times, frequencies and durations vary based upon the individual student needs. Through our counseling services we offer assistance with topics and skills in relation to the following domains:

- Social
- Emotional
- Academic
- Career/College

If your child is 12 years old or younger, please fill out the permission slip and return to the Venture Academy Counseling Center.

Thank you for your continued support of your child's education!
