

STUDENT PARKING PERMITS

All students who drive a car to school must have a parking permit

Student Parking Rules

- Students are required to park in spaces marked "Student Parking" in the solar parking lot located in front of the gymnasium (2814 Transworld Drive)
- Parking permits must be placed in the car in a visible location.
- To maintain permits, students must obey all traffic laws and school rules.
- Students may not return to their cars during school hours unless approved by a teacher and accompanied by a member of Venture's Campus Safety Team
- Venture Academy remains a closed campus and students may not leave campus until their school day is finished.
- A permit may be revoked at any time the student does not abide by school and traffic rules.
- Turn the completed application in to the front office of your academy.
