# SCHOLARSHIPS

## Cash for College

### What Are Scholarships?

Scholarships award FREE money to students to go towards continuing their education. Scholarships do NOT need to be repaid.

### How to Get Scholarships...

APPLY! There are a TON of scholarships out there. Some are awarded on the basis of a student's academic, athletic, artistic, or other abilities. Others are based on the student's financial needs, gender, ethnicity, religion, etc. You can also find scholarships that are career and college specific. Most colleges and Universities have a special scholarship webpage just for students who attend their school.
