

Dear Venture Academy Families,

We hope you have enjoyed this holiday season and your break from school! We are looking forward to welcoming students back to campus on Monday, January 3rd, 2022. This year has brought with it some challenges, however, Venture Academy is committed to you and your students and we are excited to begin the new year together. We care about your students as individuals and we are invested in their educational journey and where that will lead them.
