Welcome to the new school year!

Historic Durham Ferry is excited to be welcoming students back on campus for regular instruction and a brand-new school year! We will kick off with orientations on Tuesday, August 3rd at 10:00 a.m. The general orientation will be followed by breakout orientations for each classroom. These orientations are essential for mandatory paperwork as well as understanding classroom expectations and policies for grade level classrooms. It is essential that at least one parent or guardian is in attendance with their student at the orientation. Please mark this date on your calendar!

Beginning Monday, August 9th, we will begin our regular school hours. Start and end times will be communicated to families as soon as schedules are finalized. You can expect a schedule that allows for siblings in different grade levels to start and end at the same time.

Public and school district health policies will be communicated by administration closer to the start of the school year.

Please email HDF staff if you have any concerns or questions. We are looking forward to seeing everyone and kicking off a great 2021-22 school year!
