Antes del 1 de febrero de cada año, la ley estatal exige que todas las escuelas de California publiquen un Informe de Responsabilidad Escolar (SARC). El SARC contiene información sobre la condición y el desempeño de cada escuela pública de California. Según la Fórmula de Financiamiento de Control Local (LCFF), todas las agencias educativas locales (LEA) deben preparar un Plan de Responsabilidad y Control Local (LCAP), que describe cómo pretenden cumplir las metas anuales específicas de la escuela para todos los alumnos, con actividades específicas para abordar las prioridades estatales y locales. Además, los datos reportados en un LCAP deben ser consistentes con los datos reportados en el SARC.

- Para obtener más información sobre los requisitos del SARC y el acceso a informes de años anteriores, consulte la página web del SARC del Departamento de Educación de California (CDE) en https://www.cde.ca.gov/ta/ac/sa/.
- Para obtener más información sobre LCFF o LCAP, consulte la página web de CDE LCFF en https://www.cde.ca.gov/fg/aa/lc/.
- Para obtener información adicional sobre la escuela, los padres/tutores y
 miembros de la comunidad deben comunicarse con el director de la escuela
 o la oficina del distrito.

búsqueda de datos

DataQuest es una herramienta de datos en línea ubicada en la página web de CDE DataQuest en https://dq.cde.ca.gov/dataquest/ que contiene información adicional sobre esta escuela y comparaciones de la escuela con el distrito y el condado. Específicamente, DataQuest es un sistema dinámico que proporciona informes de rendición de cuentas (por ejemplo, datos de exámenes, inscripción, graduados de la escuela secundaria, abandonos, inscripciones en cursos, dotación de personal y datos sobre los estudiantes de inglés).

Panel escolar de California

El Panel Escolar de California (Dashboard) https://www.caschooldashboard.org/refleja el nuevo sistema de mejora continua y responsabilidad de California y proporciona información sobre cómo las LEA y las escuelas están satisfaciendo las necesidades de la diversa población estudiantil de California. El Panel contiene informes que muestran el desempeño de las LEA, las escuelas y los grupos de estudiantes en un conjunto de medidas estatales y locales para ayudar a identificar fortalezas, desafíos y áreas que necesitan mejorar.

Acceso a Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

Venture Academy Family of Schools is a TK-12 charter school that offers a choice for families who are looking for an

educational alternative for their students. Students who choose to enroll in VAFS find themselves being challenged

to imagine possibilities for the future, to solve real-world problems, to be curious and ask questions about the world,

and to learn to play while they play to learn. The school's individualized approach to teaching and learning includes

thirteen academies, each with a specific focus. Students choose the learning environment that fits their interests and

keeps them motivated and engaged in learning.

Venture Academy Family of Schools offers pathways to students that will prepare them for their future, whether that

is college, the military, other secondary training programs, or the workforce. We believe our Schoolwide Learning

Outcomes will equip students with the necessary skills to be successful in future school years and in

School Description and Mission Statement (School Year 2023–24)

Chartered by the San Joaquin County Board of Education, the Venture Academy Family of Schools is one of the

largest charter schools in the area. It has been a public school of choice since 2002. VAFS began as a homeschool

program with 275 students. Currently, there are over 1650 students enrolled in the school's focus academies.

Serving TK-12 students, we offer WASC-accredited programs featuring flexible schedules and sites that develop

students' academic progress and further their interests and passions.

- Innovative, non-traditional approaches to education
- · A public school of choice
- Tuition-free
- Western Association of Schools and Colleges (WASC) Accredited

VAFS continues to offer homeschool/independent study educational programs

for students and developed a

modified daily attendance (MDA) model for students needing greater support. Our MDA academies are staffed by

credentialed teachers. Students attend classes Monday-Thursday. Fridays allow for opportunities for homeschool

assignments, special projects, or required onsite activities and instruction. Enrollment is offered to students within

San Joaquin County and any contiguous counties which include Stanislaus, Sacramento, Contra Costa, Calaveras, and Alameda counties.

MISSION

The mission of Venture Academy Family of Schools is to awaken the imagination, passion, dreams, and curiosity of

TK-12 students by providing rich, standards-based educational opportunities for those who seek innovative, nontraditional approaches to learning. Our students will become literate. lifelong learners empowered to embrace challenge, think critically, play passionately, live responsibly, and imagine possibilities.

SCHOOLWIDE LEARNING OUTCOMES

Schoolwide Learning Outcomes (SLO's) define what each student should know, understand, and be able to do

upon leaving Venture Academy Family of Schools. They are the framework around which the academic program is

built and reflect the mission, vision, and belief statements of the school. The six SLO's, developed by Venture

Academy staff are listed below.

Venture Academy students will embrace challenge. Students may demonstrate this by (but are not limited to):

Identifying and reflecting on challenges

Identifying tools and talents

Developing and implementing a plan of action

?

Venture Academy students will think critically. Students may demonstrate this by (but are not limited to):

Evaluating and applying knowledge/skills in a variety of situations and contexts

Acquiring knowledge necessary to form an educated opinion

Venture Academy students will live responsibly. Students may demonstrate this by (but are not limited to):
Exhibiting and making healthy lifestyle choices
Identifying community needs
Serving the community

Venture Academy students will play passionately. Students may

demonstrate this by (but are not limited to):

Playing to learn

Learning to play

Balancing lives (work and play)

Exploring the connection between passion and work

Venture Academy students will learn infinitely. Students may demonstrate this by (but are not limited to):

Realizing the world is a classroom

Demonstrating continuous progress toward mastery of a core body of knowledge initiating and facilitating their own learning

Venture Academy students will imagine possibilities...

BELIEF STATEMENTS

We believe that...

Each individual can learn.

Education empowers individuals.

Each individual has unique strengths and intelligences.

Each individual is important and can make a difference in the world.

Individuals joining together for a common purpose produce powerful results.

Individuals learn best in a nurturing non-threatening environment.

Imagination, passion, dreams, and curiosity are gateways to learning.

Play is an essential part of learning.

Learning involves embracing challenge and being willing to risk.

Students' needs direct their educational paths.

Education is a team effort involving students, families, teachers, and community.

Real-world connections enhance learning.

Learning is lifelong.

VAFS holds a fundamental belief that individuals learn best in an environment that nurtures creativity and curiosity,

and that expands understanding of the world through observation, inquiry, and collaboration with others. A powerful

learning environment is one in which students, with the assistance of caring adults, have options in how, when, and

where they learn. The optimal learning environment is physically and emotionally safe; the staff is compassionate,

supportive, trusted, well qualified, and holds high expectations for students.

The curriculum is based in reality and

accessible to all students; the subject matter is appropriate, relevant, and intellectually stimulating. Within VAFS,

these conditions are met in a variety of educational settings called academies which meet the individual needs and

interests of the students.

At VAFS, students have opportunities to individualize their instruction based on their ability levels and personal

interest, through a wide variety of school offerings. Teachers, parents, and students confer regularly to adjust the

individualized plan as needed to ensure progress toward meeting educational goals. Using a variety of authentic

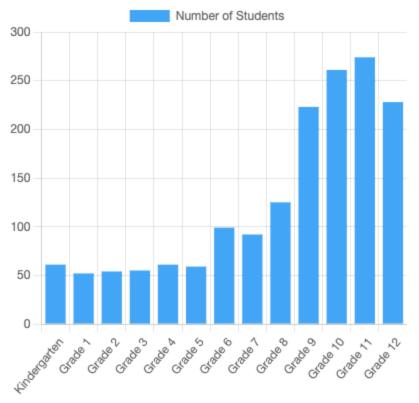

assessment methods and standardized tests, students are evaluated to determine levels of competency and to measure progress.

VAFS strives to develop each student as an "educated person in the 21st century". An educated person in the 21st century will:

- Work independently and cooperatively as appropriate
- Organize tasks, skills, and activities
- Think beyond the status quo
- Create choices in the ways s/he learns as well as how s/he learns
- Possess confidence in making decisions that affect positive change
- Possess a minimum of 10th-grade reading, writing, and math skills
- Plan for personal growth
- Observe, test, and question theories
- Participate in the community
- Function capably in an ever-changing technological society
- Know and explore passions
- Effectively communicate what s/he knows
- Possess a set of guiding personal beliefs
- Understand that "We are most nearly ourselves when we achieve the seriousness of a child at play." Heraclitus

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

• Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAA] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAA for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAA for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAA for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Career Technical Education (CTE) Programs (School Year 2022–23)

Venture Academy offers a variety of CTE courses to all high school students. Students are able to select CTE courses through the annual course selection process and these courses are available to all interested students. Venture Academy has a CTE advisory committee, which is led by administrator Silvia De Alba, and all industries listed below are represented on the committee. The CTE Industries and Pathways offered at the school are:

Agriculture and Natural Resource

- Agriscience Pathway
- Animal Science Pathway

Arts, Media, and Entertainment

- · Performing Arts Pathway
- Design, Visual, and Media Arts Pathway

Building and Construction Trades

Residential and Construction Pathway

Business and Finance

Business Management Pathway

Health Science and Medical Technology

- Patient Care Pathway
- Mental and Behavioral Health Pathway

Hospitality, Tourism, and Recreation

Food Service and Hospitality Pathway

Manufacturing and Product Development

Welding and Materials Joining Pathway

The school also supports student participation in HOSA, Skills USA, and FFA as part of the robust CTE programs. The school uses current industry trends in choosing the CTE industries to offer, and prioritizes high-skill, high wage industries. Student voice is also part of the process in selecting which CTE industries to offer.

All CTE courses count towards the school's graduation requirements and nearly all are certified with the University of California as meeting entrance requirements. Two courses in Welding and two courses in Health Science are also articulate with Delta College and students can earn both college and high school credit for those classes if they pass with a "B" or better.

All CTE courses incorporate both academic and career technical standards in their course sequence.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

 Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2023–24)

Venture Academy Family of Schools ensures parent participation through the Advisory School Council (ASC) and English Learner Advisory Council (ELAC). Both parent groups meet monthly. The contact person for the ASC is the president, Jennifer Jepson, (209) 468-5940 and the contact person for the

ELAC is Kelly Ware (209) 468-5940.

The ASC plays an important role in the school community, including reviewing the school programs, providing support to parents, students and staff for VAFS

programs, and fostering communication and understanding between the school, the County Office of Education, parents, and the community. The ASC facilitates a number of fundraising events each year and provides a process by which academies and school groups apply for grants. The ASC is consulted in the development and yearly update of the VAFS LCAP.

The ELAC meets monthly with VAFS staff to discuss student needs and look at ways to support language acquisition. Parents have a strong voice in this committee and a direct impact on the implementation of support systems for EL students.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

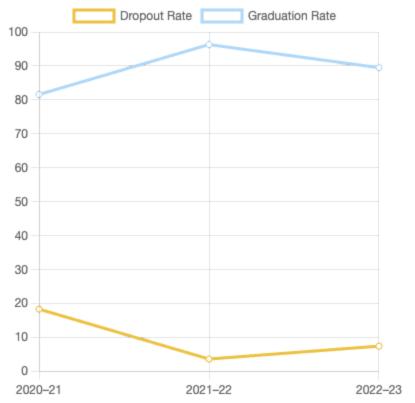

- · High school dropout rates;
- · High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Many students come to Venture Academy who are credit deficient. We work with those students to graduate but it may not be when they are supposed to be a senior which affects the graduation cohort rate. We believe all students can graduate and get a high school diploma if given the opportunity, even if it takes them a little bit longer.
