Dear Delta VISTA Student,

Welcome to the 2022-2023 school year! Delta VISTA teachers are gearing up for students, and we are looking forward to a productive, successful, and rewarding year. School begins on Tuesday, August 2nd. A special schedule is set for this Tuesday. On **this first day, Tuesday, August 2nd** you and one parent/guardian will need to come to the auditorium in the Venture main site to get your computer, schedule, and other information for the start of the year. Your school has worked hard to accommodate students' class choices. If you need to change classes, we will go over how to change a schedule. **Please ATTEND at your ASSIGNED TIME.** Your assigned time can be determined from the following:

You can access this information by way of the following webpage:

On this page you will find the handbook link under "General Resources." As you review the contents of the handbook, give special attention to **ELECTRONIC DEVICES** and the **DRESS CODE**. These topics will be addressed during your scheduled time.

Supplies - Please see the attached supply list for the supplies required by all Delta VISTA teachers—please come prepared for class with the items on this list. Individual teachers may require additional supplies. Many are on sale at Target, Wal-Mart, Walgreens, Staples, etc.
