Dear Foundations Family,

Welcome to the 2023-2024 school year! Venture Academy Family of Schools teachers are gearing up for students and we are looking forward to another successful year within the Foundations Theater & Performing Arts Program.

PROGRAM ORIENTATION

****Please mark your calendars****

Wednesday, August 2nd

Round 1	9:00 a.m.
Round 2	10:30 a.m.
Round 3	1:00 p.m.

We are providing several orientations for families who have multiple students enrolled at Venture. Please select a time that best fits your schedule. The orientation will be held in the Foundations Theater at 2857 Transworld Drive, one building East of the Main Site.

Please note that the enrolled student **and** one legal guardian **MUST** attend the orientation. We will be going over important program information – schedules, performance requirements, and other expectations as well as other school information that both student and guardian need to be aware of in order to have a successful year here at Foundations. Please be advised that failure to attend at least one orientation to review and sign your Master Agreement may jeopardize your enrollment in Venture Academy.

Before leaving orientation, every student and parent must be actively logged in to Jupiter as to ensure that they are fully informed on student grades and attendance. This is our primary form of communication between teachers and families.

At orientation, students will be given an assignment to be completed and returned to class on Monday, August 7th. Please turn this assignment in to your Teacher of Record (TOR). Your TOR is assigned by grade level.

9th grade Mr. Brenner
10th Grade Mr. Treat
11th Grade Mr. Binney
12th Grade Mrs. McDonald

Supply lists vary depending on your assigned schedule. Students will be receiving specific class information requirements when classes begin the week of August 7th. Please refer to your class syllabus for more information at that time.

See you there!
