Dear ImagineIT Families,

We are looking forward to beginning the 2023-2024 school year with you all! Friday, August 4th marks the starting date of the new school year. There will be a mandatory orientation meeting for all parents and students on Wednesday August 2nd. Supply lists will be provided at orientation. For now, we would like to provide you with the following information for planning purposes:

***High School will start at 8:30am and end at 2:55 pm, Monday through Thursday, with Friday being a homeschool day. It is an expectation that students complete assignments on Fridays as it is considered a school day.***

**Wednesday (8/2):** Required Student/Parent Orientation

*(CTEC Building 2911 Transworld Dr. 1st floor)*

During this orientation students will receive their class schedule and will sign forms including the Master Agreement. A parent will need to be present to sign these forms, including seniors. There will be four time slots available for orientation. Families only need to attend one session. If students do not sign their Master Agreement at orientation it may affect their placement at Venture. Please choose your time below and sign up using the QR code or going to <https://bit.ly/3MqQNhl> by July 31st.
