**Re: Public Notification Requirement of California Health and Safety Code §42301.6
Project Number: N-1231777
Project Description: Solvent wipe cleaning operation**

Dear Parents/Residents:

The San Joaquin Valley Air Pollution Control District (Air District) has received an application from C&H Enterprises at 4545 Qantas Lane in Stockton, CA for the following project:

Organic solvent wipe cleaning operation associated with medical device manufacturing

Since this project is located within 1,000 feet of the outer bounds of a school site, the California Health & Safety Code §42301.6 requires that you be given this notification and an opportunity to comment on the project before permits are issued.

The Air District has determined that, as proposed, the installation will comply with all Air District regulations. The Air District's analysis of the proposal has determined that the emissions from operation of this equipment will not pose a significant health risk to the school children or to the surrounding public.

Should you have any questions or comments about this project, please submit them in writing within 30 days of the date of this notice to the following:
